Sample Forms for Mandatory COVID-19 Vaccine Policy

Some of you may be considering implementing a mandatory vaccine policy for your workforce. If so, we have a sample policy you may rebrand and use accordingly. If this is your preference, please keep in mind that employees may be able to assert a religious or medical objection to being vaccinated. In those cases, you must accommodate them per the law.

[Click here to see the Sample Mandatory COVID-19 Vaccine Policy and other sample forms to help with those employees that might assert a religious objection to being vaccinated.](#)

The Energy Code Presentation: Title 24 Part 6 Webinar

The Energy Code Presentation: Title 24 Part 6 Webinar presented by Gina Rodda is now available to view on our website.

Learn more about the current 2019 Title 24, Part 6 (Energy Code) fenestration efficiency requirements for new construction and alteration projects for all building types (single-family residential, low-rise and high-rise multifamily, hotel & motel, and nonresidential) when using the prescriptive compliance method.

Cal/OSHA Reminds Employers to Protect Workers from Unhealthy Air due to Wildfire Smoke

Cal/OSHA is reminding employers that California's [protection from wildfire smoke standard](#) requires them to take steps to protect their workers from unhealthy air due to wildfire smoke. Harmful air quality from wildfire smoke can occur anywhere in the state on short notice, so employers must be prepared before a wildfire event occurs.
