**LOCATION: 7020 SLAUSON AVE
COMMERCE, CA 90040**

Join us for another glazing boot camp at the apprenticeship training facility in Commerce. This event will feature an engaging presentation on layouts and provide a hands-on learning experience. This time, participants will work alongside our apprentices to build storefront and curtainwall mockups, while exploring installation techniques in glazing systems. Registration is limited to 30 participants, and RSVPs will be accepted on a first-come, first-served basis.

Lunch will be provided. Full-length pants and close-toed shoes are required. Please bring hardhats and safety glasses if you have them. If not, we will have loaners on site. We suggest that you wear comfortable clothing as attendees will participate in physical work.

To RSVP, please email Rowanne Khafagy at rkhafagy@scgma.com
